6.1. Standard «Management of the educational program»

EEC recommends:

In order to further development and improvement of the college activity in the implementation of accredited educational programs , the EEC IAAR recommends:

- *to ensure the effectiveness of the information and feedback system, aimed at students, employees and persons concerned, by organization and outputting information on the current students' progress to the college's website.*
- *to bring the educational journals in accordance with the order of the Ministry of Education and Science of the Republic of Kazakhstan № 502, in particular, when filling out the journals of laboratory and practical classes and course projects, it is necessary to use the corresponding pages.*

EEC notes, that the specialized profile of the college in this standard contains 4 - strong, 13- satisfactory and 5- suggests improvement.

6.2. Standard « Specificity of the educational program»

EEC recommends:

In order to further development and improvement of the college activity in the implementation of accredited educational program the EEC IAAR recommends:

- *to ensure the systematic development, implementation and effectiveness of active teaching methods and innovative teaching methods, it is advisable to use the basic functions of the interactive white board multimedia podium using specialized software tools.*
- *to continue work on expanding the list of modern software used in the educational process.*
- *to bring the complex of educational methodological documentation for Educational Program 0508000 « Catering Management» trained in the dual training in accordance with the order of the Ministry of Education and Science of the Republic of Kazakhstan №50 of 21.01.2016;*
- *to review the membership of the final certification commission in accordance with the order of the Minister of Education and Science of the Republic of Kazakhstan dated 30.01.2017, № 125 « On Approval of the Standard Regulations» for the ongoing monitoring of academic performance , intermediate and final attestation of students;*
- *to provide opportunities for training and internship for teachers in the framework of international cooperation.*

EEC notes that the specialized profile of the college in this standard contains 17 strong positions, 6-satisfactory, 1 position suggests improvements.

6.3. Standard « Pedagogical collective and teaching effectiveness »

EEC recommends:

- *to consider the possibility of international cooperation for the purpose of professional development;*
- *to form a system for monitoring and evaluating the effectiveness of the introduction of modern information technologies and innovative methods of teaching and learning;*

Conclusions of the EEC on the criteria:

EEC notes that the specialized profile of the college in this standard contains 2 strong positions, 7-satisfactory, 2 positions suggest improvements.

6.4. Standard « Learners »

EEC recommends:

In order to the further development and improvement of the college activity in the implementation of accredited educational programs, the EEC IAAR recommends:

- *to implement a program and a plan of providing equal opportunities for students with an official language of instruction. The admission committee should include this category of applicants in the plan.*

6.5. Standard «Resources used in the implementation of educational program »

The Commission recommends:

In order to further development and improvement of the college activity in the implementation of accredited educational programs, the EEC IAAR recommends:

- *to replenish the library fund for accredited specialties with electronic educational literature;*
- *to replenish the book fund with educational, educational- methodical and scientific literature in the official language;*
- *to ensure the possibility of updating the college material and technical base in accordance with sanitary and epidemiological requirements for educational facilities;*
- *to consider the possibility of transferring laboratory and practical classes and lessons of industrial training to the enterprises sites , with a view to train better specialists.*

Conclusions of the EEC on the criteria:

EEC notes that the specialized profile of the college in this standard contains 4 strong positions, 8 - satisfactory, 3 positions suggest improvements.

6.6. Standard "Standards in the context of individual specialties"

EEC IAAR recommends:

- *the management of the Educational Programs are to create conditions for attracting practitioners with working experience in the field of the Educational Programs;*
-
- *to organize workshops with new technologies and involve organizations working on new technologies.*
-

Conclusions of the EEC on the criteria:

EEC notes that the specialized profile of the college in this standard contains 6 strong positions, 3 satisfactory positions.

Appendix 1. Score table for the specialized accreditation

Specialty - 0104000 Vocational training (by industry); qualification 0104023 "Master of industrial training, Technician-technologist (of all titles)",

Specialty - 1226000 Technology and organization of food production enterprises; qualification 1226043 " Technician -technologist".

SCE "Higher College, Shchuchinsk town, Burabay Region".

№ п/п	Criteria for evaluation	Position of the organization of education			
		Strong	Satisfactory	Assumes improvement	Unsatisfactory
Standard "Management of the educational program"					
1	The organization of the TVE demonstrates the development of the EP development plan, its focus on meeting the needs of the state, stakeholders and trainees..		+		
2	The organization of TVE should ensure the adequacy of the development plan for the EP to the available resources, the needs of the labor market and the educational policy of the Republic of Kazakhstan.		+
