A DESCRIPTION OF THE PREVIOUS PROCEDURES OF ACCREDITATION

State Municipal enterprise "Higher agrotechnical College, village Chaglinka" under the Department of education of Akmola region for the first time undergoes the procedure of specialized accreditation of T and VT organizations.

of the Program of the visit of the expert Committee for the specialized accreditation of educational programs in the GCE "Higher agricultural College Chaglinka village" in the period from 02.10. on 04.10.2018. In order to coordinate the work of the EEC, the College held an introductory meeting, during which the powers were distributed among the members of the Commission, the schedule of the visit was clarified in compliance with the established period of time, agreement was reached on the choice of methods of examination.

The meetings of the EEC with the target groups were held in accordance with the specified program of the visit. On the part of the staff of the SCCP "Higher agrotechnical College, village Chaglinka" was ensured the presence of all persons specified in the program of the visit.

To obtain objective information about the quality of educational programs and the entire infrastructure of the College, to clarify the content of self-assessment reports, meetings were held: with the Director of the College, deputies of academic activities, Educational activities, Academic practical work, Academic methodical activities , Administrational economic work, heads of departments, chief accountant, head of the personnel department, methodist, psychologist, medical worker, social pedagogue, chairmen of the methodical committee, head of the library, teachers, masters of industrial training, students, graduates, social partners and parents of students. The meeting was attended by 160 people.

In the process of the EEC visual inspection of the College infrastructure was carried out: classrooms, mobile training center, computer classes, library, reading room, Assembly hall, production workshEPs, gym, 2 hostels, medical center, buffet, canteen.

Also studied the documentation of the Department, realizing accredited educational programs.

Visited base practices specialty 0508000 "Catering service": group 32 CS.

During the visit of base of practice of "Aurora Garden" LLP, students of the 3rd course, consisting of 4 people according to the schedule of educational process passed practice in this organization, under the leadership of the chef Ergash Orzu Murat.

LLP "Aurora Garden" is a family recreation center. Specialists of this organization teach students to work in their future profession and pay great attention to labor education. Analysis of the practice base showed that the equipment of "Aurora Garden" LLP meets modern requirements.

During the visit to a practice base in a cafe "Aldar-Kose" (FE "Catalin O. D."), 3rd year students, consisting of 7 members according to the schedule of the educational process was at the

practice in this organization under the leadership of chef KEPernikovoi Svetlana Anatolevny. Svetlana noted that the College theoretical knowledge help students in practical activities, but the students lack the practical skills.

During visit of base of practice restaurant "Astory", students of the 3rd course, consisting of 3 people according to the schedule of educational process passed practice in this organization, under the leadership of the chef Novichkov Mikhail Vasilyevich. Mikhail Vasilyevich noted that theoretical and practical knowledge gained at the College helps students in their practical activities.

During visit of base of practice in the recreation Center "Zeren-Nur" the student of the 3rd course, Gorovaya Ekaterina, according to the educational schedule passed practice in this organization under the leadership of the chef EsanovMuzafar.

The Director of "Zeren-Nur", Nurzhanovacquainted the EEC with the material and technical base of the organization. SabyrzhanBulatovich, said it he is working with the College in 2015 and annually on the basis of "Zeren-Nur" are practicing 4-5 students GCE "Higher agrotechnical College, S. Chaglinka".

Also, the members of the EEC received confirmation from employers that enterprises not only provide jobs for the duration of practical training, but also participate in the adjustment of the content of work curricula and programs. The management of enterprises provides qualified employees to participate in the state certification Commission during the final state certification of graduates. Collegestaffaretrainedinenterprises.

Members of the EEC attended lessons on accredited educational programs.

They visited the lesson on discipline "Accounting and calculation of the" group of 22 EP, specialty 0508000 "catering". The theme was the "Rate of preparing of raw materials, output of semi-finished and finished products in the processing of vegetables, mushrooms, fruits, berries, nuts". This lesson was conducted by the teacher Sataeva Maria Sergeevna, the lesson was attended by 12 students from 16 on the list. The Cabinet is equipped with an interactive whiteboard. The program is fully consistent with the individual plan. Students performed the calculations on the cards-to assignments.

The lesson "Salyq" (Taxes) in the group 31-Argy, teacher Makhambetova D. S. was visited. Lesson No. 17 was carried out in accordance with the calendar-thematic planning, the type of the lesson – practical, form of the frontal, the methods applied – verbal, visual.

The lesson in the group 21-finance, the subject "Accounting and audit" the teacher of Sultanova A. Zh., the Lesson was also held in accordance with the calendar and thematic planning, the type of lesson-the study of new material, the form of – front, the methods used – verbal, visual.

Analysis of attendance shows good quality teaching staff, sufficient theoretical level of training. Atthelessontheteachersusemodernlearningtechnologies.

All conditions were created for the work of the EEC, access to all necessary information resources was organized.

As part of the planned program, recommendations for improving the activities of the College, developed by the EEC on the basis of the examination, were presented at a meeting with the leadership of the College.

The activities planned during the visit allowed the members of the EEC IAAR to conduct an independent assessment of the compliance of the data set out in the self-assessment reports of the College with the criteria of the standards of specialized accreditation.

A detailed analysis of the compliance of the activities of the College Standards specialized accreditation Independent Agency of accreditation and rating of the EEC allowed in the framework of the visit of the College to make the following conclusions in the context of standards.

(I) REVIEW THE BEST PRACTICES OF EACH STANDARD

6.1 Standard "Educational program Management»

- organization of T and VT demonstrates the development of the EP development plan, its focus on meeting the needs of the state, stakeholders and students.
- -the management of EP is demonstrating a clear definition who responsible for business processes, clear disribution of duties of staff, separation of functions of the collegiate bodies involved in the realization of the EP:
